03 Jesus spends a lot of time encouraging his followers to trust God and models it for them. Is it easy to trust God? What makes it more difficult?

Diving deeper

Read the entirety of Luke 16. We weren't kidding when we said there's a lot of verses about money. Here's an entire chapter! Spend some time reading and praying through this chapter of Luke. Where do you see yourself in the narrative? (You can't be Jesus, sorry). Spend some time asking the Lord to reveal some of the places in your life where greed may have crept in.
