

## **WAIVER OF LIABILITY**

I voluntarily consent to receive financial coaching services from the NEXUS Financial Discipleship Center. I understand that services will be provided by a student of the NEXUS Financial Discipleship Center under the supervision of the NEXUS Financial Discipleship Center staff and faculty. Additionally, I understand that a staff member may be involved in the supervision process. I further understand that Indiana Wesleyan University is a teaching institution, and I agree to be part of the Ron Blue Institute for Financial Planning teaching program.

I understand that the student providing information is *not* a licensed financial professional and cannot recommend any investments, insurance, nor provide legal advice. If I feel that I need legal advice, I will contact a licensed attorney.

### **Confidentiality**

Confidentiality is an important part of the coaching process. We will carefully guard the information you entrust to us and will make every effort to help you resolve a problem as privately as possible. There are situations, however, when it may be necessary to share certain information with others. These situations may include, but are not limited to the following:

1. When a coach is uncertain of how to address a particular problem and needs to seek advice from a supervisor.
2. When there is clear indication that others may be harmed unless others intervene.
3. When it becomes necessary to seek the assistance of others in the community to help you (with your permission);
4. When you are completing this coaching session as a part of the IWU Off Campus Housing Application.
5. When legally compelled under applicable law; and,
6. When money is owed to your creditors.

The NEXUS Financial Discipleship Center is founded on biblical principles and biblical wisdom. The NEXUS Financial Discipleship Center coaches will be using the D.E.E.P. model within each meeting. I agree and understand that the coaching and education received will be biblical in nature and be presented using a biblical worldview.

I understand the educational purpose with which the NEXUS Financial Discipleship Center was created and know that my coaching sessions may be supervised. I also understand that questionnaires will be used to gather pertinent information; however, any identifying information

will be anonymous. I voluntarily consent and agree to the use of my information for research and educational purposes.

By my signature (or the signature of my parent/guardian) below, I do hereby release, indemnify, and hold harmless Indiana Wesleyan University and the Ron Blue Institute, the Board of Trustees and Board of Managers respectively, University officers, agents and employees, and students of the NEXUS Financial Discipleship Center from any and all liability of any type whatsoever arising from any acts or omissions, negligent or otherwise, by Indiana Wesleyan University, the Ron Blue Institute, and their respective officers, agents, employees, volunteers, or students relating to the NEXUS Financial Discipleship Center.
